Mission Statement

Basin United Soccer Club (BUSC) is dedicated to providing participants with a fun, quality soccer experience that encourages sportsmanship and development of the player, coach and team by providing opportunity to progress through higher levels of achievement based on interest and ability. BUSC is committed to being a club that is recognized for its "excellence" in character and instruction while promoting and fostering the game of soccer.

SPORTSMANSHIP

All Coaches are required to teach their players and encourage their families to display good sportsmanship. This includes but is not limited to:

- Respecting coaches, referees and players on the other team.
- Encouraging teammates
- Using appropriate language
- Avoiding overt or unnecessary physical play
- Celebrating with humility
- High-fiving or shaking the hands of the opponent after each game

CONFLICT MANAGEMENT

Although yelling and excited feelings do sometimes occur during a game, there are times when situations escalate beyond what is acceptable for youth sports.

Unacceptable behavior includes a parent, player or coach doing the following:

- Approaching coaches, players, or an official in a heated way
- Entering the field of play except when given permission by the referee
- Making threats, using explicit language, or making obscene gestures
- Trying to engage in a physical altercation

In the event of a hostile situation, please observe the following recommendations:

- ***DO NOT*** engage the aggressor.
- Protect your players and families by removing them from the situation.
- Immediately contact the Director of Operations.

Coaches and parents are encouraged to report unacceptable behavior and hostile situations to BUSC staff even if they are resolved during the game.

COACHING RESPONSIBILITIES

Focus on building fundamental skills, bolstering self-esteem and teaching your young players how to interact with other children appropriately during game play. Please remember that every player is entitled to playing time. Coaches can request equipment on loan from the club a set of cones, and two balls of the appropriate size to use at practices, to be returned to the club in good condition at the end of the season. Any additional equipment must be provided by the coach.

- Communicate in a timely manner with parents regarding practices and games.
- Complete a Background Check, Concussion Safety Training Course, and Safe Sport Training online (good for one year). All can be found in the coach's corner section on the BUSC website.
- Gain permission from a location and schedule practices. If you cancel practice, you must contact each player.
- Basin United Soccer Club can provide coaching materials upon request.
- Basin United Soccer Club will provide a roster and contact information for each player. Coaches will need to present the roster to referees prior to the start of a game. Any player not on the roster will not be allowed to play.
- Hand out jerseys to players.
- Make arrangements with BUSC Staff should you be unable to coach a game or practice. It is mandatory that coaches, including substitute coaches, complete a background check.

PLAYER EQUIPMENT

No equipment considered dangerous to another player, as determined by the referee, shall be worn during a game.

- No jewelry may be worn on the field (watches, earrings, bracelets, etc.). *Taping or covering of ornamental jewelry is **NOT** permitted (all earrings, including earrings in newly pierced ears, must be removed).*
- Medical Alert Bracelets are the only exception and must be taped down.

GAME PLAY

REFEREE AUTHORITY

Referees are the final and ultimate authority on the field during the game. Coaches, parents, and spectators are expected to support the referees in all situations, even when they make mistakes.

Referees will address fouls with the following levels of disciplinary action, depending on the degree of infraction:

1. Verbal Warning
2. Cautionary Cards (Yellow Card)
3. Ejection of Player (Red Card)

Cards will be used only at Grade 3/4 division and above.

RUNNING UP THE SCORE

Although scores will not be kept during the game, players and spectators know when a team is outscoring their opponent. There may be times when your team severely outmatches the skills of another team. In these instances, please protect the desire for players to return to future games by not allowing your team to score an excess of goals over the opposing team. You can avoid deflating a team's spirit by trying the following:

- Requiring players to complete a certain number of passes before a goal may be scored.
- Taking a player off the field or shifting players into different positions.

FIRST AID

First Aid kits are available at the front office in the Fieldhouse and at the lower concession stand. An Automatic Emergency Defibrillator is available in the Fieldhouse.

Blood: A player that has a bleeding injury or blood on any part of their uniform will be removed from play. The coach may make an immediate substitution. The part of the uniform with blood must be changed. The player may not return to the game until the bleeding is stopped and the wound is covered.

SPORTS COMPLEX RULES
